

The Nomination Process

You may self-nominate for any position or nominate another individual for any position on the Board but they will need to accept the nomination prior to being placed on the ballot. We recommend contacting individuals before nominating them to gauge their willingness and interest.

To nominate yourself or someone whom you think would be a successful Board member, please click on the following link:

<http://goo.gl/forms/4p8NB4cUQs>

Nominations will be accepted electronically until the identified "Nominations Closed" item is reached on the agenda at the AGM. This will be done in advance of sending the voting link to registered members to ensure all candidates are included on the ballot.

The WO Board:

Executive Committee

President

Directs operations, sets objectives, plans meetings and agendas, liaises with Directors, acts as WO spokesperson as needed

Vice President

Supports activities of the Executive, supports President, Directors and Committee activities, may lead ad-hoc committees as needed

Treasurer

Director Representative

(appointed by Board from elected Directors)

Secretary (ex officio)

Takes meeting minutes, keeps records, responds to emails, manages membership database, coordinates activities and supports Executive and Committees)

Directorships

Directors noted by (*) are responsible for recruitment, management, and leadership of their respective committees.

***Director of the Minden Wild Water Preserve (MWWP)**

Leads MWWP management and operations

***Director of Advocacy**

Coordinates advocacy efforts, liaises with local river advocates and leads communications with landowners, advocacy groups, and others.

***Director of Communications**

Manages and monitors website, Facebook group and member communications through emails or newsletters.

***Director of Competition**

Coordinates competitive events including slalom races.

***Director of Recreation**

Represent and promote recreational paddling clubs and events.

***Director of Instruction**

Manages and coordinates CKC Instruction program in Ontario.

Director-at-Large (2)

The Directors-at-Large positions provide an opportunity for different voices on the board not necessarily aligned with any other existing WO Committees. They will work on new projects, ad hoc working groups, or on any other matters that arise over the course of the year as identified by the Board.

Non-Voting Members-at-Large (4)

Members at-Large support the activities of the Board and participate in ad hoc committees and WO working groups.
